KEY PERSONNEL CONTACTED

- Dr. Salum Diwani, President, CropLife Tanzania, Dar-es-Salaam.
- Cosmas Matanda, CropLife Tanzania, Dar-es-Salaam.
- Cleophas Rwechungura, CropLife Tanzania, Dar-es-Salaam.
- 13 ToT participants.

ACCOMPLISHMENTS

- Facilitated five day course on Training of Trainers for 13 Master Trainers.
- Discussions on further co-operation & training next year.
- Presented electronic copies of Safe Use training materials to all participants and other parties.

ACTIONS REQUIRED

- Plan for future trainings (Refresher ToT for participants; ToT for MOA Master Trainers) for next year (CropLife Tanzania, SD, CM, CR, LH).
- Provide training report to CropLife Tanzania, Peter Mills, Les Hillowitz and Ali Mohammed Ali (CropLife Tanzania).

- Contact other potential stakeholders regarding possible co-operation in future training - Dr Salum Diwani has prospective partners, some of whom who were participants (CropLife Tanzania, LH).
- Each participant is to set out his/her plans for the coming 6 months, which must include at least one, preferably two, trainings per participant, including submitting a training plan to CropLife Tanzania by middle of September (CropLife Tanzania).

CONCLUSION

A very enthusiastic and very capable group of participants who were very grateful for the training. Some trainers have great potential.

It is very critical for Cleophas to follow-up on the training plans, to be submitted by middle of September, and also to follow-up on each participant doing further training. All trainings must be reported to CropLife Tanzania and CropLife Africa Middle East.

Some very important potential partners were identified in the group during the training. Critical that Les Hillowitz follows up with Dr Salum Diwani during his coming visit.

Many thanks to Cleophas Rwechungura and Cosmas Matatda for their work in organising the training. Thanks also to Dr. Salum Diwani for his participation and support.
