KEY PERSONNEL CONTACTED

- Dr. Huraldin Muna, Minister of Agriculture.
- Dr Jamal Hajjar, Director, Crop Protection, MoA.
- Dr. Aiman, Director Training Centre, Damascus.
- Bassam Hajir, Nabat, Syria.
- Miss Muna Shadeed, Debanne, Syria.
- 33 subject matter specialists from Plant Protection, industry.

ACCOMPLISHMENTS

- Meeting of several staff involved in agriculture - extension, sales, MoA.
- Delivered three day course on "Safe Use".
- Electronic copies of all training materials given to participants and industry staff.
- Discussions on future training requirements with participants, industry.

ACTIONS REQUIRED

- Try out on-farm incinerator and discuss with appropriate Ministries - Health, Agriculture, Environment (BH?, AMA).
- Follow up on training implementation - especially incinerator, disposal pits (BH?, AMA).
- Possible set up of industry association (AMA).
- Training of Trainers course, to be arranged (AMA).

CONCLUSION

Useful discussions about training expectations and requirements. Future training requires more thought and detailed planning including a "needs analysis" and/or appropriate selection of trainees. Selected personnel to attend a future Training of Trainers course, to be arranged by Ali Mohamed Ali and Mahmoud Al Tabaishi.
