## **ACTIONS REQUIRED**

- Plan for future trainings (Refresher ToT for participants; follow-up for trained trainers) for next year (CropLife Tanzania, SD, CR, LH).
- Provide training report to CropLife Tanzania, Peter Mills, Les Hillowitz and Ali Mohammed Ali, CropLife Tanzania.
- Contact other potential stakeholders regarding possible co-operation in future training - Dr Salum Diwani has prospective partners (CropLife Tanzania, LH).
- Each participant is to set out his/her plans for the coming 6 months, which must include at least one, preferably two, trainings per participant, including submitting a training plan to CropLife Tanzania by end of September (CropLife Tanzania).

## **CONCLUSION**

It is very critical for Cleophas to follow-up on the training plans, to be submitted by end of September, and also to follow-up on each participant doing further training. All trainings must be reported to CropLife Tanzania and CropLife Africa Middle East.

Important to carefully select future participants.

Many thanks to Cleophas Rwechungura and his team for their work in organising the training. Thanks also to Dr. Salum Diwani for his participation and support.
