ACTIONS REQUIRED

- Plan for future trainings (Refresher ToT for participants; another ToT for Master Trainers) for next year (CropLife Zambia, PM, LH).
- Provide training report to CropLife Zambia, Peter Mills, Les Hillowitz and Ali Mohammed Ali (CropLife Zambia).
- Contact other potential stakeholders regarding possible co-operation in future training - Environmental Council of Zambia and National Malaria Control Centre (CropLife Zambia, LH).
- Each participant is to set out his/her plans for the coming 6 months, which must include at least one, preferably two, trainings per participant, including submitting a training plan to CropLife Zambia by end of October (CropLife Zambia).

CONCLUSION

A very high calibre group, with lots of participation.

It is very critical for Chris Masite to follow-up on the training plans, to be submitted by end of October, and also to follow-up on each participant doing further training. All trainings must be reported to CropLife Zambia and CropLife Africa Middle East.

Many thanks to Dorcas Habeenzu and the staff of Cresta Golfview Hotel for their extremely hard work in organising the training from scratch (and at short notice). Thanks also to Chris Masite and Steve Mwanza for their participation and support.
